IQAC - Employer Feedback Analysis Report 2021-2022

A total of 20 organizations participate in the feedback survey. Some relevant question was raised to determine the experience of these employers in visiting MEC and hiring our students. Feedback analysis reveals that employers have found the curriculum is relevant and promotes logical thinking and includes relevant skill enhancement. An encouraging detail that emerged from the analysis was the employer was highly satisfied with the placement process carried out by the placement cell. 10 out of the 13 respondents were highly satisfied with the process. none of the respondents faced any obstacles in the placement process. Overall performance of students was rated excellent and very good by all employers.
